Senior Class Poem

'Tis at the gate of our future life,
We trembling Seniors stand;
Each muscle hardened for the strife,
We, the jolly Senior band.

Our face is turned, as toward the light
New fields appear in view;
We've expectations clear and bright;
Of skies of rosy hue.

'Tis friendship that will bind our trust,
We'll fail each other never;
For loyalty to class and school,
Will bind our hearts together.

And when at last we receive the prize,
For which twelve years we've fought;
With pride we'll feel our pulses throb,
While with grief our hearts are fraught.

For graduation marks the end,
Of comradeship together,
To friendship's band we'll e'er be true,
And none that band will sever.

And for the class of "twenty-one"
Success will be the rule,
With loyalty to classmates all,
And honor for our school.

LOUISE ARMSTRONG

"Squeeze"

SCIENTIFIC

Class Pianist

"Squeeze" is one of our loyal members. The way she giggles and plays the piano, you'd be surprised. Louise has gained many friends during her four years of high school life, and we will never forget her. Home economics is her favorite study.

ARTHUR L. BADERTSCHER

"Art" "Body"

SCIENTIFIC

"Art is another member of our class who is very good natured and is always smiling. We wish him success in the future, for of course we know he will be a good farmer.

CATHERINE BANNING

"Katrina"

SCIENTIFIC

Catherine is one of our staunchest helpers, especially when sleigh rides are suggested. We will not forget her tho' she will leave us soon.

ELMER BEALE

"Beal"

SCIENTIFIC

Football 3, 4—Track 4

Although of a quiet and unassuming nature, Elmer's disposition has won him a host of friends. Beale is a football man, having experienced two years on the varsity.

HARRY F. BLEW

"Blue"

SCIENTIFIC

Track 3, 4

After four years of High School toil, Harry is justly entitled to his sheepskin. His lanky physique makes him a fine track man and he has been represented in all of our track events.

GRANT BOLTZ

SCIENTIFIC

Orchestra—Jazz Orchestra

Grant is another new member of our illustrious class, having left the Juniors to join us. He is musically inclined and displays unusual ability with his trombone.

L. QUENTIN BOLTZ

"Quiz" "Cider"

SCIENTIFIC

Base Ball 2, 3, 4—Football 3, 4—Class President 3, 4
Orchestra 2, 3—President Boys Athletic Ass'n. 4
Mirror Staff 4—Quartette 4

"Quiz" is our class president, and a good scout is he. Athletics and class parties are his main attractions. We all try to aid him in his efforts to arouse class spirit, and have backed him in everything thought worth while. Here's hoping he will be a great success in the near future.

ROSA BOLTZ

"Rose"

SCIENTIFIC

Yes, she's quiet; but has found a host of friends during her one year with us. She is one who goes about her work quietly, with not much to say, but who nevertheless accomplishes her end in the largest sense.

GLENDA L. E. BREWER

"Glen"

SCIENTIFIC

Track 3

"Glen is another loyal member of our class. She left the Juniors and came to our class when school started. Here's hoping she is as successful later on as she has been in school.

HILDA L. BRODBECK

"Iky" "Becky"

SCIENTIFIC

"Becky" is another who left the Junior class and has become a senior. We all know that the Juniors have lost loyal supporters, but we are certainly glad to have her.

B. JAMES DANAHER

"Barney" "Dugan"

SCIENTIFIC

Class President 2—Corresponding Secretary of Athletic Association, 4—Treasurer of Athletic Association, 4—Business Manager of Basket Ball team, 4—Track Manager, 4—Base Ball 3, 4—Manager 4—Mirror Staff, 3, 4 Editor-in-Chief, 4

"Good Morning," look who we have with us, B. James Danaher. His popularity about the school cannot be questioned, as is evidenced by the number of responsible positions to which he has been elected. "Barney", the wild Irishman," is liked by his many friends.

HOMER G. DEERHAKE

"Dearie"

SCIENTIFIC

Chorus, 4

Homer came to St. Marys with the ambition and a resolve to leave the girls alone. He still has the ambition. Although he comes from the country, he has lived it down and is regarded as a steady fellow by his f iends.

KATHERINE ENGEL

"Kitty" "Katinka"

SCIENTIFIC

"Katinka" as she is known to all her friends, both at school and at John's, is one of our best known members. As a supporter of her interests she takes great part in school activities. She always will be remembered by her many friends because of her f iendliness towards them.

ARTHUR H. FINKE

"Jeff"

SCIENTIFIC

Football, 4—Track, 3, 4

Arthur is an athlete and belongs to the football squad. He also takes great part in track work. He is a good student and classmate.

T. BRYAN FISCHER

"Bud"

SCIENTIFIC

"All hail to the lord of Neptune." He joined our happy throng in the Junior year and has proven a worthy classmate.

LEOTA FISHER
SCIENTIFIC

Leota is of the type, believing not in outward actions but in quiet accomplishments. We are sorry to lose her so soon.

MARTHA L. FISHPAW
CLASSICAL
Tennis, 4—Class Secretary 3, Mirror Staff 4
Treasurer of Junior Red Cross, 3, 4

Of a very sweet and cheerful disposition, Martha is a friend of all with whom she comes in contact. Her gentle and alluring—well words are inadequate means to express our regard and appreciation of Martha .

RUTH FLACK
"Flicker"
SCIENTIFIC
Class Vice President, 3

"Flicker" will be remembered by the class of '21 as a booster for their interests. She is quiet but always ready for a bit of fun.

CECIL D. FRENCH
"Frenchie"
SCIENTIFIC
Football 2 in B. H. S—Pilot Staff 2 B. H. S. Emersonial Society 2 B. H. S.—Hi Times Staff 4 L. H. S.—Boys Glee Club 3 L. H. S.—Mirror Staff 4

"Frenchie" as he is known to us, had the good sense to come to St. Marys ultimately after spending three years in Kentucky and Oregon. He is a straightforward and likable young man, and no doubt he will make a name for himself in the near future.

GERTRUDE F. GEIGER
"Giggs"
CLASSICAL
Basketball 4

"Giggs," although quiet and unassuming, has many characteristics that have established her, as a good fellow among her High School friends. Conscientious in her work, willing in her attitude, and successful in her results she has always maintained a high standard of scholarship and service.

EDWARD GRAUER
"Pudgy" "Augustus"
SCIENTIFIC
Basketball, 4—Playing Manager 4
Basketball 3, 4—Baseball Captain 4

"Pudgy" is an an all around good sport. He takes a great part in all activities, and especially in basketball. Ed is very good natured and industrious. No doubt when out in the world his unfailing good humor will serve him well.

ANTHONY M. HANGEN
"Tony" "Jud"
SCIENTIFIC
Track 3, 4

From his Freshman days his abilities have been noted by his classmates. Some men like to make big noises and be heard, but "Jud" believes more in letting his actions speak for themselves. Outside of his weakness toward the opposite sex (?), he is a good scout.

OLGA U. HARPER
"Shorty" "Olgo"
SCIENTIFIC

Olga—although "Shorty" fits her better—hails from east of town and always has a "good morning" for her numerous "good" friends, after her "good" hike to town. She is very popular among the boys of our class.

RAYMOND HARTMAN
"Ray" "Harty"
SCIENTIFIC

Above is the likeness of another of our loyal members. A strong supporter in all matters benefiting the school.

ONNOLEE HIPP
"Hippie"
CLASSICAL
Class Secretary 2, 3—Tennis 3—Stringers 4

Hipp is a real girl of charming personality and winning appearance. We try to think of her faults, we find none. We think of her virtues as she is a model; for she can do everything but carry a tune.

ENOCH HOELSCHER
"Enec" "Dutch"
SCIENTIFIC

Football 3, 4—Track 4—Baseball 1, 2, 3, 4

Enoch is one of our athletes. He is a member of the football squad, baseball team and takes part in the track work. He is a good sport and has found many friends, during his two years among us. We wish him success.

GERALDINE HURM
"Jerry" "Irish"
SCIENTIFIC
Basketball 4

We can give the best of tributes to "Jerry." She is one of those rare souls, a good pal with an unlimited sense of humor. Jerry is surely some basket ball player and also a worthy member of the Senior class. We know she will be a success in the future, for she will make friends wherever she goes.

M. JEANETTE HURM
"Net" "Jean"
SCIENTIFIC
Octette 3

Our friend Hurm. She has gained a host of friends during her last four years of school on account of her jolly laugh and jokes. And talk about wit she is surely witty.

HARRIET V. HUTCHINSON
"Hutch" "Pegs"
CLASSICAL

Class Treasurer, 3—Class Secretary 4
President of Girls Athletic Association 4
Captain Girls Basket Ball Team 4—Mirror Staff 4

"Rightfetchin' young lady," is Hutch, full of pep, and talk about an athelete, she is surely the foremost of the class. She is always pleasant and carries her "giggle" with her wherever she goes. Hutch is a very good student also, and has a great host of friends.

HAROLD O. KATTERHENRY
"Happy" "S. J."
SCIENTIFIC

Vice President (N. K. H. S.) 2—Football 4
Basketball 2, 3, 4,—Baseball 1, 2, 3, 4,

"Happy," although being with us only one year, has scored so high in scholarship, athletics, and outside activities that we call him a versatile man. With his ambition, his strong personality, his optimism, we know that in future he will be found near the summit of his chosen work.

ALMA M. KELLERMEYER
"Kelly"
SCIENTIFIC
Libra ian 2, 3, 4

Alma is a native of the community. She has managed to receive a fairly broad education while in High School. Without a doubt she will long remember the friends she made in school, nor will they forget her.

PAULINE KOHLER
"Polly" "Jack"
SCIENTIFIC

"Polly" left her class to become a loyal Senior this year. She is one of the best natured and best liked students in the class. We hope she will be successful in anything she undertakes.

CARL E. KUCK
"Cookie"
SCIENTIFIC

Class Secretary (N. K. H. S.) 2—Footbal 4—Basket Ball 2, 3, 4—Baseball 1, 2, 3, 4,—Captain (N. K. H. S.) 3—Mirro Staff 4

A typical high school sport; plays football and takes part in all sports. High School sports have never interfered with his education. He is good natured and is loyal to his class.

STANLEY H. LEVERING
"Smiley" "Peany"
SCIENTIFIC

Class Vice President 4—Mirror Staff 4

"Peanuts" quick smile and ready wit did not reveal the steady d irve which has carried him along. With such qualities to carry him onward we are sure of a decisive result in the future.

MEMPHIS McDERMITT
SCIENTIFIC

Footbal, 4—Track, 4

Memphis is a quiet, leavel-headed man, whose judgment has the confidence of all who know him and whose manner commands the respect of everyone. His four years in High School have been well spent, his time being divided between work and football. He is a man whom his friends will never forget.

ALICE McKEE
"Al"
SCIENTIFIC
Class Secretary 1—Track 3

Although Alice is quiet and unassuming, she has found many friends during her four years among us. She is very fond of class parties and a loyal member of the class. Alice is much taken up with her domestic science work.

BETTINA L. MILLER
"Betty" "Tiny"
SCIENTIFIC
Class Pianist 2, 3—Orchestra 4
Mirror Staff 4

"Betty" is another who is listed on our class roll. Always ready to take part in class functions and to assume her share of work. The way she can play the "piana," well! now!

KENNETH MILLER
"Ken"
CLASSICIAL AND SCIENTIFIC
Football 3, 4

The fat man of our class but a good fellow for a' that. A good man on the line, having held down the center position on the football squad in every game for two years.

KENNETH D. MOEHL
"Ken" "Lou"
SCIENTIFIC
Basketball 4—Baseball 2

"Ken" is another good man left us by the '20 class. He left school to work in the bank but has now returned to our class, as a welcome member. Although he is greatly inte ested in school athletics, his studies are not neglected. He is a good mixer and liked by all.

ADALMA NIEMEYER
"Delma"
SCIENTIFIC

"Delma" is another one of those friendly, New Knoxville scholars, that has been with us for only a year. She is a thoroughly dependable and lovable girl and never does things by halves.

BESS RIDINGER
"South Paw" "Bess"
SCIENTIFIC

Track 3, 4—Vice President Girls Athletic Association 4—Manager Basketball 4

Bess's high school life has been full of variations. She has taken an active part in school affairs, entering into wo k as well as play. She is an active leader in all sports. She possesses an abundance of pep and good humor.

DOROTHY J. RISK
"Doe"
CLASSICAL

Class Secretary, 2—Mirror Staff, 4

"Doe" is characterized by an original personality. Never did she hurry, but she always started on time. She is proficient in being a good friend.

MAYE SCHEFFLER
"Mazy"
CLASSICAL

May is well known by her winning smile and pleasant disposition. Although she is quiet and unassuming, she has a host of friends. Maye is ve y studious and is willing to help anyone in need. She has our every hope for a successful future.

REUBEN J. SCHROER
"Reub" "Adam"
SCIENTIFIC

Treasurer (N. K. H. S.) 3—Chorus (N. K. H. S) 3

Reuben is from the vicinity of New Knoxville. Although we are not so well acquainted with him we know that during his short stay with us he has been a true classmate. From the records of his former years, he seems to have been quite active in N. K. H. S.

WILLIAM SHERMAN
"Bill"
SCIENTIFIC

Football 3, 4—Captain 4

Baseball 2, 3, 4—Track 3

"Bill" is the man of our class. As a hunter and sportsman, he is a shark. His husky form has given him a berth on the football team and he has played two years, piloting the '21 team.

DON L. SMITH
"Donnie"
SCIENTIFIC
Mirror Staff 4

"Pfenning's diamond broker." "Donnie" is an other of our seniors. Classy looking and a good dancer, he is very popular at home and abroad. His congenial attitude toward all has won him a host of friends.

PAUL SPRINGER
"Skeet"
SCIENTIFIC
Football 4—H. S. Orchestra 4—Jazz Orchestra 4

Paul is one of the musicians of our class. He takes part in football and class parties. He has won many friends and associates during his High School life.

NED T. SMITH
"Thomas" "Smythe"
Cheer Leader 4—Base Ball 4—Basket Ball 4
Track 3, 4,—Orchestra 1, 2, 3, 4—Mirror Staff 4
High Jazz Orchestra 4

"Smythe" is one of the main stays of the class. He takes great part in class activities and athletics. He is some musician and the orchestras would be at loss without him. Ned is always smiling and has a f iendly word for everyone.

VERNER J. SULLIVAN
"Toad" "Vern"
SCIENTIFIC
Chairman Eastern Relief 4

"Vern" is one of the good fellows of our class. He did much in school toward the Easte n Welfare campaign. Besides this work, he took an active part in all class functions.

LELA VOGEL
"Lele"
SCIENTIFIC

Lela is very quiet while in the school room, but her backward feeling leaves her when plans for class parties are made. We certainly appreciate her kindnss in having us out to her home, for we sure had good times there.

GRACE VORHEES
"Gracious"
SCIENTIFIC

Grace has proved to be one of the most steadfast girls of the class. She was always willing when anything was planned, to help put it across. We wish her future success.

CATHERINE A. WEADOCK
"Kitty" "Slim"
CLASSICAL

Librarian 4—Mirror Staff 4—Secretary of Jr. Red Cross 3, 4

"Kitty" as she is known to her friends, is a very studious and accomplished young lady. She can do anything from sewing to dancing. She is a loyal suppo ter of her class and takes part in all activities.

RAYMOND C. YAHL
"Funny"
SCIENTIFIC
Football 3, 4

"Funny" is without a doubt the pool champion of our class. His ready wit and rough good nature has made him a trustworthy pal of all. He is a big man and having dislocated his shoulder at Ada, is all that prevented him from finishing his second year on the football team.

HOWARD F. YOUNG
"Hard"
SCIENTIFIC
Class Treasurer 4—Mirror Staff 4

Howard's record in scholarship has been won by steady progress and hard work throughout his four years. His frank disposition, loyalty, and sound judgment have gained him the sincere esteem of all his associates.

History of Class '21

One bright September morning in the year nineteen seventeen, when all out doors was calling us, we resolutely turned our backs to the beauties of nature, and entered the solemn building of St. Marys High School.

Amid the good natured raillery of upper classes we found our places on the lower floor. We were much as any other students except that we showed signular ability, energy and talent relative to school life. Spring came and we had climbed the first round in the ladder of success.

The next fall we returned with renewed zeal to take up our duties as Sophomores. During this term our tasks became harder but nothing could disturb our mental equilibrium. We began to be felt outside the sphere of our own classes and to exert an influence in athletic and social activities. By this time we had mounted the second step of our goal.

When the bright hues of autumnal leaves were first making their appearance we came back to our dear old school, having increased in stature and gray matter. This time we were Juniors, eager and anxious to make our way onward and upward. Still holding our record for high grades we indulged in several class parties, which helped to cement our friendship. The momentous incident of the year was the Junior-Senior Reception, which completely surpassed any similar occasion prior. Our social functions and studious pursuits were over, and we for a third time advanced toward our goal.

Upon returning in the fall of nineteen twenty we found to our delight several new students, who have added fresh honor to our class. All of us had assumed more dignity as would become intellectual Seniors. Having learned much that is good for us to know, we have received our degree of promotion, we have reached our goal—a diploma is ours. We have attained our desire, but poignant sadness is mingled with our rejoicing for we must separate.

"There is a word of grief, the sounding token;
There is a word bejeweled with bright tears,
The saddest word fond lips have ever spoken;
A little word that breaks the chain of years;
It's utterance must ever bring emotion,
The memories it crystals cannot die,
'Tis known in every land, on every ocean—
'Tis called 'goodbye.' "

Junior Class Poem

A good class and a trusty band,
With merry heart and true;
St. Marys High sure understands
What the Junior Class can do.

We push the athletes good and true,
And who can bid us nay?
With "one and all" and hand in hand,
St. Marys High on top doth stand.

When it comes to Basket Ball,
A stirring sight you'll view;
Our boys can never, never fall,
If there's pep enough in you.

In tennis how our teams can play,
There's nothing wrong with them.
We hope to gain the championship
When the tournament does end.

Our runners are the very best,
Of any class in High.

We'll prove it at the Wapak meet,
Or know the reason why.

In music we are very strong,
So this gives you a hunch,
That the Orchestra ne'er could get along,
Without the Junior bunch.

Every day at ten of one,
We put down everything.
Go over to the Senior room
And oh; how we do sing.

In studies how our teachers praise us,
For the splendid work we do ,
They say we'll make good Seniors,
If we work as we've accustomed to.

So Juniors, ever loyal stand,
To our motto, staunch and true
And honor always our dear school,
With her colors, gold and blue.

Junior Class

History of Class of 1922

We thought we were really important when we entered the portals of knowledge of S. M. H. S. in September, 1918, as Freshmen. There were eighty-seven of us, very bright and promising. We quickly overcame the difficulties usually experienced by Freshmen in mastering their studies. Our attendance was excellent considering the epidemic of influenza which was passing over our country.

The next year most of us returned to that hall of fame as Sophomores, loyal and devoted defenders of the Red and White. The first thing we did was to organize a Literary Society and elect our officers for the following year. With what golden thoughts and memories do we look back upon our Freshmen and Sophomore days.

Now we are Juniors, forty-three in number. Early in the year we elected the following officers:

President—Robert Reed

Vice President—Annabel Buss

Secretary—Onnolee Hipp

Treasurer—Sidney McCammon

Our class is noted for its unusual musical talent. The Seniors could not sing without us, so they asked us to join them. Our daily exercises in singing are under the able direction of Mr. Kohler. We are at the present time planning a reception for the Seniors which will be the most stupenduous of any to date.

Sophomore Class Poem

The brilliant class of '23
Is "some" class beyond a doubt;
The Freshies, Juniors, Seniors all,
Have long since found out.

As students we are models all,
And if you'll watch our class.
And imitate our efforts brave,
You cannot help but pass.

We get our Math and English well,
Our History and Caesar;
We love our teacher very much,
We'd do anything to please her.

Here's to our faculty so dear,
Their hearts are true and kind;
And if you search o'er all the earth,
None better will you find.

And here's to the class of '23,
With it's banner green and gold;
We've many a boy and girl for fame,
And athletes strong and bold.

Now if you'll pause and just reflect,
It will show you all the more,
That a class like ours of '23,
Was never made before.

And never will be met again,
We almost failed to mention;
So to our record clear and bright,
Direct your kind attention.

Sophomore Class

Sophomore Class History

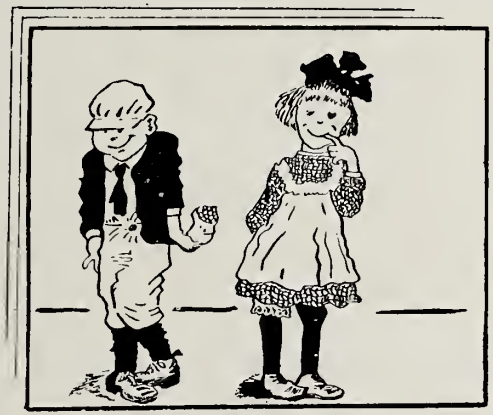
On that memorable day in 1919, we, as the members of the Freshman Class, totalling one-hundred and seventeen did enter that most impressive of buildings, (at least that's what it was to our inexperienced eyes), the St. Marys High School Building. As we walked up those never to be forgotten stairs, we stumbled all over our feet, some of us even fell (it may have been due to the gloom which always prevades the halls and stairs, however). Then after we had entered the various rooms assigned to the Freshmen for their own, we were too many. Added commotion and confusion was therefore caused by two people having to sit in one seat and use the same desk for the innumerable books which are necessary. At last they got another teacher, Mr. Noble, and everything was all right again in just a short time. When everything had been readjusted the time began to be used more profitably and the Freshmen soon proved to the teachers that they had what was at first thought to be lacking, brains. After what seemed to be an interminable length of time school was dismissed for the summer recess.

Of course before they did that most of the Freshmen were made either Sophomores entire or at least half and half. School being again resumed the next fall, the has been Freshies came back as Sophomores with a membership of ninety-six and contributed many athletes to all of our High School teams, particularly the girls' team.

If it were not for the Sophomores what would the orchestra do? It surely could not have a director unless it had a treasurer to pay her, and what is an orchestra without a director. Who is that treasurer? Why it must naturally be a Sophomore, of course. The Sophomores are there in everything.

The class of '23
Will surely be
Some wonderful class
Just wait and see
If you don't believe me.

Freshman



Freshman Class Poem

Every one says that the Freshman class
Is the best one in the school;
And our class is here to back it up,
For we follow the Golden Rule.

In the fall of the year of 1920,
Our class a hundred strong,
Entered the door of St. Marys High,
An event to be remembered long.

For the Juniors bold, and Seniors, grave,
As we entered that open door,
Gave to us all a welcome, such
As we ne'er had seen before.

And the giddy Sophomores, too, forgot
That they once were Freshmen too;
And gave our entire bunch the laugh
That made us feel quite blue.

But nevertheless, we settled down
And worked with all our might
'Till now we've left the Sophomore class
Completely out of sight.

And now the entire school can see,
A thing we've known before
The finest class goes from our school
In nineteen twenty-four.

Freshman Class

The Freshman History of '21

In the fall of September, 1920, one of the largest and best classes entered St. Marys High School. We numbered one hundred and eight and of this number only seven withdrew.

We at once took an interest in athletics and organized a Boy's Basket Ball team which has won a good reputation.

We have several talented musicians in the class and they have contributed their talent to the High School Orchestra.

In November we organized our Freshmen Literary Society and chose for our class colors, royal purple and white, to which every member of the class has been loyal. The officers of the class are as follows: President, Charles Adams; Vice President, Mildred Hunter; Secretary, Mary Lee White; Treasurer, Florence Danaher.

The Freshmen of '21 are working to win the favor of the whole school, and hoping to be the largest and best class ever graduated from St. Marys High School.

Last Will and Testament of the Class of '21

The Seniors were a jolly bunch, having as their motto "Eat, drink and be merry, for tomorrow you may die." With such a slogan to live up to ou · greatest bequest to our successors lies not in a bulky purse but in the kind and pleasing personality of Mr. Kohler. Torment him not, nor disobey him, if ye keep peace.

Knowing the Juniors to be diligent, we take great pleasure in willing them for one year only such necessary implements of torture as the waste paper basket (the original gum containe·), the official bulletin board, and Mr. Kohler's faithful old chair and desk.

Almost grudgingly we transmit to you our good times at intermissions before Prof. Kohler arrives. Beware that ycu do not disgrace us by using the seats like park benches. Above all things never should a boy show so great a lack of p opriety as to deliberately flop himself down in a seat beside a girl.

As to heirlooms, we have but two to hand down to our posterity. One is the faithful old musket that has led many a martial march through the old halls. The other is the picture of our beloved Washington. Never under those watchful eyes (not Mr. Kohler's either) tell a lie or t y to bluff. George says he remembers the sting of the cherry tree yet.

As a reward for special merit we wish to confer a few personal bequests.

TO Eva Drake, Martha's attempt at vamping.

TO Wilbur H. we would give Howard's sedate ways.

TO Ruby Copsey, Louise Armstrong's giggles.

TO Ma·cella Heusch, Dorothy's gift of gab.

TO Bernard Lawler, Barney Danaher's ability to bluff.

TO Louella Jordan, Kitty Weadock's graceful figure.

To Adam Schurr, C. E. French's height.

TO Billy Hughes, Q. Boltz' height.

TO Henrietta Thomas, Olga's vamping ability.

TO Ted Fike, Carl Kuck's bewitching smile.

TO Anna Lois Saum, Hutchie's popularity with the boys.

TO Annabell Buss, Bess's privilege of walking halls.

TO Wilson Hilgeman, Kenneth's popularity with the girls.

TO Juanita James, Edward Graue·.

TO Robert Reed, Don's good looks .

TO Bill Vorhees, Harry Blew's ability to shimmy.

Sworn to and signed before me this 25th day of March, in the year of our Lord, one thousand nine hundred and twenty-one.

Manual Training

This Manual Training Class has increased in good workmanship, under the skilled training of Mr. Burl Frampton.

The Freshmen work consists of mechanical drawing the first semester and bench work the remaining half of the term.

The Sophomore boys start their year in wood turning. They make several large pieces as tables and piano lamps, beside many smaller articles. Junior and Senior foreign students get to start with the Freshmen boys and proceed in their work.

The increasing popularity and usefulness of this department is greatly due to the efficient instruction of Mr. Framptom who is ably assisted by Hayden Wilson, Grant Boltz, Charles Garber, Quentin Boltz and Ned Smith.

The S. M. H. S. Orchestra

The St. Marys High School Orchestra has been one of the most important factors in school activities this year. The orchestra is the largest and most successful the school has ever had. It is composed of twenty-one active members.

October fourth, 1920, a meeting was held for the purpose of organizing. Monday evening of each week was chosen as time of rehearsal and Miss Agnes Helmstetter was chosen director.

The orchestra has furnished a large part of the music for the public programs given by the High School this year.

The high degree of excellence which the orchestra has achieved and their popularity with the citizens and students of St. Marys is due to the able leadership of Miss Helmstetter, and we desire to use this as a medium of extending our sincere appreciation.

The personnel of the orchestra is as follows: Violins, Pauline Brodbeck, Margaret Bubp, Vivian Fischer, Kathryn Geiger, Mildred Hunter, Anna Lois Saum, Magdalen Springer, Kathryn Wiss, Everette Catterlin, Bernard Gayer, Sidney McCammon, Norbert McEvoy, Frank Vogel; Saxaphones: James Smith, Paul Springer; Cornets: Guy Bricker, Charles Pauck; Alto: Pearl Miller; Trombone: Grant Boltz; Drums: Ned Smith; Accompanist: Bettina Miller.

Stringers

The "Stringers Orchestra" was organized at the beginning of the year, more by acci dent than by anything else. A number of stu dents were fortunate in having stringed instru ments and forwith the "Stringers" were soon organized with Miss Dunan as manager and Miss Matilda Helmstetter as director. Under the direction of Miss Helmstetter we were soon able to play very proficiently, furnishing music for every program given by the High School.

The personnel is: Jessie Clover, Onnolee Hipp, Margaret Smith, Annabel Buss, Dorothy Risk, Juanita James, Marcella Heusch, Hen rietta Thomas, Gail Morris, Madge Palmer, Alfred Vogel, Paul Durnell, Ruth Hauss, Beryl Dutton, Elizabeth Welshimer, Mary Werts, Verneda Snyder.

Jazz Orchestra

Among the musical organizations of the year of 1920-21 there appeared a quintet which later was christened with the name "Harmony Hound Note Knockers. This orchestra has put the pep into the pep meetings and also did their part at the High School basket ball bat tles in playing for the songs that kept up the spirit of the games. They set a date for prac tice and decided to meet at the home of the members. This orchestra has made great pro gress during this year. They are all anxious to continue their work and make it one of the best orchestras ever organized in St. Marys High. The members of the orchestra are:

Saxaphone—Paul Springer
Trombone—Grant Boltz
Cornet—Guy Bricker
Drums—Ned Smith
Piano—Mildred Hunter

Domestic Science

Domestic Science

The first domestic science class was organized in our high school in 1915. Since then everything has been done to make the course more complete although we still work under disadvantages. The course of 1920-'21 was divided into two parts: Cooking and Sewing.

During the cooking course, the girls under the supervision of their efficient teacher, Miss Kunst, entertained the faculty and School Board with a dinner at the St. Paul's Reformed church. The following menu was served:

Cream of Tomato Soup

Breaded Veal — Escalloped Potatoes

Pea Patties — Olives

Fruit Salad

Strawberry Sponge — Eastern Cake

Coffee

The sewing consisted of the making of practical garments as well as the theory of sewing.

To St.Marys High with a two-forty pace
To taste the D. S. Classes' paste,
They make it of flour and water
They add some flavor and sodder.
But for all that, its pretty good fodder.
Do we eat it?
You bet your face powder .

FOOT BALL

SMH THE MIRROR 1921 3rd

Foot Ball, 1920

September 20, 1920.

St. Marys High vs Ada High

The first game of the season, staged at Ada, was an eye opener as to work and injured players. In full confidence of our ability to win, we started out with a five yard run, but were held for four downs until we lost the ball, which seemed to be our undoing for the game.

We were completely outclassed in every respect, and our opponents made gains by end runs and line plunges until at the end of the first quarter their score stood for a fine mark. Here injured players, lack of practice and discouragement in general caused the team to return home sad, but much wiser as to Foot Ball tactics—with a score of Ada, 81; St. Marys, 0.

October, 8, 1920

St. Marys High vs Delphos High

Our second game was on the home field, where a great crowd gathered to see Delphos go down to defeat, and "Eureka"—they were not disappointed. We made a perfect pass and a catch which won us a touch down in the first minute of the play. The crowd went wild with delight, and when the last sound of that great boosting throng ceased, there was depicted on every player's face that old maxim: "To Do or Die." Every player—both Delphos and St. Marys—went to his best, until with end runs and line plunges, the game ended with Delphos, 0; St. Marys, 20.

October 15, 1920

St. Marys High vs Sidney High

With weather ideal for pastiming, and a team up to the last minute of goodness, we left St. Marys High for Sidney, with several machine loads to root for good old St. Marys High —thinking how easy the game would be won, when Lo and Behold, after a few gains and a lost ball—well, we had another "think" coming, for we were unable to meet the wonderful dash and daring of the opposing one man team.

Although our boys played hard and fast, we came home broken hearted (?) over a score of Sidney, 37; St. Marys, 0.

October 22, 1920

St. Marys High vs Bellefontaine High

Nothing daunted by our last defeat, but more determined than ever to put off that goose egg stuff, we set off in good cheer on the above date for Bellefontaine, where we thought sure to redeem ourselves and make all St. Marys proud.

Also—here again we were made to know the meaning of "down" and another kick makes you "more down," for, after being scored on three times in the first quarter, we held our opponents scoreless in the final quarter but our strength came too late, and the game ended Bellefontaine, 40; St. Marys, 0.

November 5, 1920

Bellefontaine High vs St. Marys High

The last game of the season was played on the home field, where, again we had the support of our own Hi students.

We had practiced strenuously, fast and long, so went to meet our opponents, confident of victory.

We met on the thirty-five yard line, but by end runs and plunges they slowly but surely worked their way toward our goal, but by a back pass and perfect interference we carried the ball for a good touchdown and were successful in kicking goal. Our lack of coaching was again revealed and after doggedly fighting for the remainder of the game we resigned to a score, Bellefontaine, 20; St. Marys, 7.

Basket Ball

St. Marys H. S. 1920-'21

This year's basket ball team was without question the strongest which ever represented St. Marys High School. Our boys are undisputed champions of Auglaize County, having met and defeated every opposing team within the county without suffering a single defeat.

Outside of our county our team was not quite so fortunate; however it made a very creditable record and acquired a good reputation among the larger high schools of Northwestern Ohio.

Although three regulars of our team will be lost through graduation, neve theless several of this year's star players will remain, and as there seems to be plenty of good material on hand, the outlook for a strong team next year is very promising.

December 10, 1920

Rockford H. S. vs. S. M. H.

St. Marys opened the basket ball season on December 10th by playing the strong Rockford team on their own floor. Owing to faculty restrictions one of our forwards was unable to play. This fact, together with insufficient practice, and the smallness of Rockford's floor caused us to be defeated by a score of 48-9.

December 15, 1920

Spencerville H. S. vs S. M. H.

On December, the strong Spencerville team played us on our own floor. Our boys had practiced faithfully since the Rockford game. The results were shown in the clock-like precision of their pass work. They set such a dizzy pace that Spencerville was unable to follow. Score 49-13.

December 17, 1920

Waynesfield H. S. vs. S. M. H.

On December 17th, St. Marys met the formidable Waynesfield team on their own floor. A desperate struggle ensued. At the end of the first half Waynesfield was leading by a score of 11-5. In the second half St. Marys gained steadily until just before the final whistle they forged ahead winning by a score of 17-14.

December 22. 1920

Celina H. S. vs. S. M. H.

On December 22nd, Celina High School came to St. Marys for a contest. They were at least hopeful if not confident of victory. The result was a complete slaughter for Celina. They were entirely out-classed and were defeated by a score of 59-3.

December 25, 1920

Spencerville, H. S. vs S. M. H.

On Christmas night St. Marys Hi met Spencerville on their own floor. To say that this was a close game is not telling half the story. The struggle was nip and tuck every inch of the way. At the end of the second half the score was a tie. After an extra five-minute period of play, the score was again tie. After a secnod extra five-minute period St. Marys lost by a single point, the score being 30-29.

January 1, 1921.

New Bremen H. S. vs S. M. H.

On New Years Night, St. Marys journeyed to New Bremen to meet the local High team. The New B emen team fought desperately every inch of the way, but were defeated by a score of 30-32.

January 21, 1921

Wapakoneta H. S. vs S. M. H.

On January 21, 1921 Wapakoneta, last year's County Champions, met our team on our home floor. The boys from the County Seat were over-confident, and although they tried hard, they found it impossible to hold the fast pace set by St. Marys, and they went down to defeat by a scare of 29-12.

January 26, 1921

Minster H. S. vs S. M. H.

On January 26, 1921, St. Marys played at Minster. This was another thrilling contest. Minster showed unexpected strength. Owing to the absence of one of our forwards St. Marys was forced to exert itself to the limit. However, at the end of the game St. Marys was leading by two points, a score of 23-21.

January 28, 1921.
Spencerville Tournament

As County Champions St. Marys Hi represented Auglaize County at the Spencerville Tournament. Although our boys did not succeed in winning the cup, nevertheless they covered themselves with glory by defeating Spencerville in an exciting struggle by a score of 15-13, and by winning over Ohio City 53-13. In the finals St. Marys was defeated by Rockford 30-12.

February 4, 1921
Lima South Hi vs S. M. H.

On February 4, St. Marys played South Hi at Lima. South Hi is considered as having one of Lima's strongest basket ball teams. Our boys worked hard against heavy odds, but could make little headway. In the second half by changing to the "five men defensive" style of play, St. Marys showed that they were as good as their opponents. The final score was 24-10.

February 8, 1921
Rockford H. S. vs S. M. H.

This game was played on St. Marys floor on February 8. Because of the fact that Rockford was the only team which had defeated St. Marys at the Spencerville Tournament, this game was of unusual interest. In the fastest game ever played in St. Marys, Rockford was defeated by a score of 27-8.

February 11, 1921
K. of C. vs S. M. H.

On February 11, 1921, the High School Team met the strong K. of C. Team to decide the amateur Basket Ball Championship of St. Marys. After a thrilling contest which was desperately fought on both sides, the High School team was returned the winner by a score of 18-13.

February 15, 1921
Delphos, St. Johns High vs S. M. H.

This game was played on February 15, 1921, at Delphos. It was another close and exciting contest. Owing to the fact that they were not accustomed to play on a concrete floor, our boys were severely handicapped. However they fought hard the whole way. It was anybody's game up to the last minute. Delphos finally nosed out our boys by a single point, the final score being 19-18.

February 17 and 18, 1921
Defiance Tournament

The St. Marys Hi Team took part in the Defiance Tournament on February 17 and 18. Although being rather unfortunate in being opposed by strong teams, yet our boys made a creditable showing. They however were defeated by the following scores: 1st game, Bryan 21—St. Marys 9; 2nd game, Defiance 20—St. Marys 8.

March 4, 1921
Waynesfield H. S. vs S. M. H.

(Friday, March 4, 1921, will be remembered because of the fact that Warren G. Harding was inaugurated as the twenty-ninth president of the U. S.) March 4, will also be remembered by St. Marys Hi because of their defeating Waynesfield High in a return game on the St. Marys floor to the tune of 58-12.

March 16, 1921
Delphos St. Johns High vs S. M. H.

The final game of the basket ball season was enacted at the St. Marys Armory, Wednesday, March 16, 1921. This game was one of the roughest and most exciting games of the season, both teams displaying phenomenal passing and floor-work. After five minutes of overtime play Delphos was declared defeated by a score of 22-24.

Girls' Basket Ball Team

The Girls' Basket Ball team did not get into working order until almost the end of the season. Lack of practice and the unfamiliarity of the players with the game are given as reasons for the almost unbroken line of defeats. Some of the towns played follow:

Spencerville Wapakoneta

Rockford Waynesfield

The best playing during the season was done in the last game with Spencerville and down at Waynesfield. Due to strenuous guarding the opposing teams were kept from scoring. The lineup for first team is as follows.

Harriet Hutchinson—Forward
Geraldine Hu m—Forward
Eva Drake—Center
Bess Ridinger—R. Guard
Thelma Garber—Guard
Anna Brunn—Guard

Second Team:

Helen Howe
Gail Morris
Helen Morris
Ruth Wolf
Berdenice Beale
Alice Hincher

Since almost all of these players will be in school next year, a County Championship team is to be expected.

Junior Class Basket Ball

The Juniors were the last to organize a class basketball team, consequently few games were played. In the game at New Bremen on March 3rd, the Bremenites were completely defeated by a score of 30-18. Games with the other classes were cancelled due to the warm weather.

Sophomore Class Basket Ball

The Sophomore team was organized soon after the Basket Ball season had begun. Several games were arranged and the team made a creditable showing.

The first game was with the Freshman class team, the score resulting in a victory of 9-22 in favor of the Sophomores. The second game was with the cigar factory team, also proved a victory for the Sophomores by a 32-22 score. The players:

E. Wessel—Forward
H. Sullivan—Forward
M. Larkin—Center
A. Gilmore—Guard
T. McMillin—Guard

Freshman Class Basket Ball

The Freshmen were one of the first classes to organize a class team. The first game was with the Celina High Seconds, on December 20, '20; a preliminary to one of the varsity games. The score resulted in a victory for St. Marys, 43-26.

Handicapped by the absence of two regulars and playing on a strange floor we were defeated in a return game at Celina by a score of 29-20. On the night following the Celina game we journeyed to Lima playing the St. Rose High Seconds. After much disagreement with the referee we were declared victors by a 24-13 score.

The final game played at New Bremen was a farce, resulting in an overwhelming victory of 48-14 in our favor.

Track Team

The Track Team

In the year nineteen twenty our Track Team first came into existence. It originated because of the Interscholastic Athletic Meet held at Wapakoneta Fair grounds on May 10th. The scene was gay with the fluttering of many gold banne s and high school colors. Prominent among them was the Blue and Gold. The. St. Marys students went on a special car, proudly anticipating first place—but alas, we were doomed to be disappointed.

It was not lack of ability and energy which brought about our defeat but lack of p.actice, and without that there can be no endurance o' speed. Perhaps, several of the participants were tired for the previous night had witnessed the Junior-Senior Reception.

Our girls carried off nearly all the first honors.

Mary K. Frank, 1st, 100 yard dash, 13 seconds.

Annabelle Buss, 1st, 200 yard dash, 25 3-5 seconds.

Mary K. Frank, 1st., Half Mile Relay, 3 minutes, 16 1-5 seconds.

Helen Schuman, 3rd, Base Ball Throw, 166 feet, 11 inches.

The boys under unusual competition secured the following honors:

Fike, 100 Yard Dash, 10 3-5 Seconds.

Bonifield, Shot Put, 34 feet, 6 3-4 inches.

Ellison, One Mile Relay, 5 minutes, 27 seconds.

Reed, High Jump, 5 Feet.

Wessel, High Jump, 5 Feet.

Bonifield, 100 Yard Hurdle, 14 seconds.

Fike, 440 Yard Dash, 56 4-5 seconds.

St. Marys, Half Mile Relay, 2 minutes, 46 2-5 seconds.

Wessel, High Jump, (standing) 4 Feet.

We all came home with next year's plans and renewed vigor and zeal to do better in future events.

We have much better prospects this year. The students have taken a g eater interest in track this spring, largely because of their having more voice in its organization.

In the election of officers for this year B. James Danaher was elected manager and Floyd Fike Captain.

Later individual captains were selected for each event. Following are the names of the captain for each squad:

Dashes—Arthur Finke
Shot Put—Kenneth Miller
Mile—Anthony Hangen
Pole Valut—Ned Smith
Hurdles—Elmer Beale
Jumping—Earl Wessel
Relay—Guy Bricker
Base Ball Throw—Robert Reed

Our coaches for the boys are: Rev. Neff and Rev. Baumgartner, assisted by Mr. Candler, Mr. Kuhlman and M . Kohler. The girls are under the supervision of Miss Bay and Mr. Candler assisted by the captains of the various squads. They are doing ve y efficient work. We began our practice earlier than last year. Consequently, we eagerly anticipate the coming athletic event, when we hope to bring home the cup and more honor to S. M. H. S.

The program for the nineteen twenty-one Athletic Meet is as follows:

1. 100 Yard Dash, Boys.
2. 75 Yard Dash, Girls.
3. Shot Put.

BASE BALL

Base Ball

Although handicapped by Track Activities, Base Ball remains one of the major sports in St. Marys Hi.

The first impulse of spring was responded to and officers for '21 team we e elected in the person of Floyd Fike, captain and Burdette Danaher, manager.

Later Fike's resignation was filled by Edward Grauer. Due to inclement weather, practice was not begun until April.

Many of the old veterans have returned and the team's powers will be greatly increased by the addition of several players from New Knoxville High.

The prospective schedule for spring '21:

April 15—Blume High at Wapakoneta.

April 22—Delphos St. Johns High at St. Marys.

April 27—New Bremen High at New Bremen.

April 29—Sidney High at St. Marys.

May 13—Delphos St. Johns High at Delphos.

May 20—Blume High at St. Marys.

Tennis

Among the athletic events of the year of 1920-21 was the tennis tournament held between the four classes of St. Marys High school because the erection of the tennis courts Memorial Pa k. The interest throughout the school became very great and many players enrolled. Preliminaries were played until there were two champions from each class, one boy and one girl. This tournament was started late in the fall on the account of the condition of the courts. The finals were not played but are expected to be played this spring. The two champions of the High School will be published in the Mirro · of '22. The Champions of the four classes are:

Freshmen—Mildred Hunter, Ralph Swartz
Sophomores—Madeline Nichols, Paul Durnell
Juniors—Onnolee Hipp, Hayden Wilson
Seniors—Martha Fishpaw, Ned Smith

Calendar of Events

February

1. Senior party.
   Louise Koch creates a sensation when she faints during Mr. McBroom's talk to the girls.
2. The morning after the night before.
   The Seniors all look sleepy.
3. Report cards. Fifty per cent of S. M. H. looking "glum" because of low grades.
4. Basketball game at Lima, S. M. H. defeated.
7. Blue Monday. Raining. Nothing worth mentioning happened to-day.
8. Pep meeting at noon. Both teams play Rockford this evening.
9. Everybody happy. Boys team beat Rockford 27-8. Girls were defeated 14-3.
10. The sweet odor of "Viradou de Paris" perfume floated down from the Chemistry lab this A. M.
14. Valentine Day. Not many valentines seen this year.
15. Basket Ball team went to Delphos. Were defeated 19-19.
16. Meeting was held to organize for the County Track Meet. F. Fike elected captain; James Danaher, manager.
17. Basket Ball Team went to Defiance to take part in Basket Ball Tournament held there.
18. Junior Basket Ball Team was defeated by New Bremen Junior Team at Bremen. The score was 38-22.
21. Monday. An uneventful day except for the usual diversion at 3:30—Bernard Lawler's flirtation with Edith Stoner.
23. Tennis pictures. Twelve cents, dropped by an unlucky Freshman was donated to Junior treasury.
24. The usual flurry preceding the monthly tests. Anybody wishing for superfluous knowledge apply to the Freshmen who carry their's around on extra papers floating out of their books.
    Seniors had important meeting.
25. Sailor Scott performed "stunts" for us at noon. We made up a splendid collection for him.
28. Freshman, Sophomore, Junior and Manual Training pictures this afternoon.

March.

There was a young lady named Florence

At last she was kissed,

Kiss his wife, wife, wife.

Barney Danaher in Cranford—"She made a pair of pajamas for her cow as he was very sick."

A common occurrence seen in the upper hall is—Ned Smith and H. Howe holding hands.

I'd rather be a "Could Be"
If I couldn't be an "Are"
For a "Could Be" is a "May Be"
With a chance of touching par.
I'd rather be a "Has Been"
Than a "Might Have Been," by far
For a "Might Have Been" has never been
But a "Has Been" was once an "Are."

Two old acquaintances met:

She—"You used to live in Charleston."
He—"Yes, so did you."
She—"You used to go to school there."
He—"Yes, so did you."
She—"You used to have freckles."
He—"Yes, so did you."
She—"You were wearing short pants then."
He—"Yes, so—say do you think it's going to rain.?"

Mr. Amstutz, coming into the study hall, and there was a great amount of talking and general noise: "Why is it that I never find you studying?"

Shorty Sullivan: "It's because you wear rubber heels."

Mr. Kuhlman to Fredonia F. in French class—"Fredonia, was this a boy or a girl you have been translating about?"

Fredonia—"It was a boy, because he climbed a tree."

Mr. Kuhlman—"Well, I've seen a girl climb a tree."

I wonder who:? ?

The best way to get rid of your temper is to keep it .

"Yes, dear Clarabelle, I'll swear that is your hair, because I was in the store when you bought it."

Mr. Amstutz—"What animal products come from Egypt?"

Beatrice Dowty—"Camels."

SMH THE MIRROR 1921 BJD

Miss McNeil—"Monroe could not take the necessary steps to pass the measures because he lost supporters."

Mr. Amstutz entered Domestic Science labratory and saw a girl baiting a mouse trap and asked Miss Kuntz if she taught her girls how to bait mouse traps.

Bess Ridinger, making up sentences in English—"The grasshoppers tantalize the smaller insects for its food."

We wish a piece of the school board would be used in patching the holes in Mr. Kohler's room.

In Martin Van Buren's administration what thing happened that was not his fault?

Don Smith—"He became older."

A banana peel,
A flash of hose
A little squeal
And down she goes.

Mr. Kohler, to Juniors and Seniors—"Imagine yourself galloping on a horse."

Bob Reed—"Ha! Ha!"

Mr. K.—"Rather on a galloping horse."

I wonder how Thelma Garber got her shoulder dislocated on the way home from Waynesfield? Ask Bob Shuffleton. Maybe he knows.

Raymond was showing exquisite skill one noon on the piano when Mr. Kohler listened for a few minutes and said—"That wouldn't be so bad Raymond, if you wouldn't play the same thing over all the time."

Bill Hughes asked Adam Schurr the other day what he was going to do when he got "Big."

Mr. Amstutz, in Algebra, explaining simultaneous equations.

Vernice Gumm—"Now if I would bump into you, you wouldn't be me."

Mr. Amstutz—"I hope not."

Mr .Amstutz in Commercial Geog. class—"A drop of nicotine on a dog's tongue is enough to kill any man."

Teacher—"How does rainfall affect the density of population?"

Sid McCammon—"They all want to get under the same umbrella.

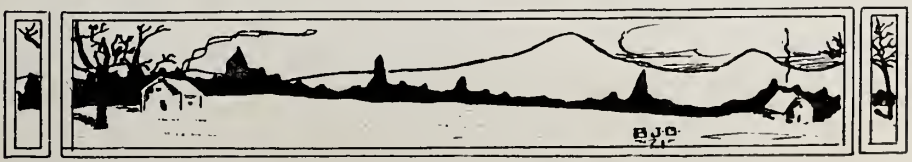
She could shimmy on a mountain
She could shimmy in a pool
When it comes to shimmy shaking
She's a shimmy shaking fool.

"I hear your dog died."
"It did."
"Was it a lap-dog?"
"Yep, it would lap anything."
"What did it die of?"
"It died of a Tuesday."
"I want to know how it died?"
"It died on its back."
"What made it die?"
"It fought a circular saw."
"What was the result?"
"Lasted only one round."

Miss McNeil—"Pauline, what is a paragraph?"

Pauline Kohler—"A paragraph is a group of sentences all talking about one thing."

Philip B. was looking very serious at an algebra problem to see if it was right, as all the Freshmen do. Then Mr. Kohler said—"Philip, you look like you had taken a dose of quinine."



SMH THE MIRROR (19-21)

Mr. Gilmore—"Son, why are you always behind in your studies?"

Alvin—"So that I can pursue them, father."

'Tis sad to love
But Oh, how bitter,
To have a girl
Whose face don't fitter.

"I want some good heavy shoes for my girls," said a farmer to Louise Armstrong, who is working in her father's store. Out of courtesy's sake Louise said: "Do you want them for the girls to milk in?" "No," replied the farmer, "I have buckets for that."

On the door came a thump—
He fell with a bump,
For his lord had come with a brick.
He hadn't a dollar—
Not even a collar,
In fact he was terribly sick.
But he came to in time,
To grab a big sign
That hung at the side of the sink.
They found hair and some hide.
The sign had swung wide—
He simply murdered the gink.

Out in the kitchen a maiden fair
Picked from the hash a golden hair.

Additional to Commandments, Girls :

Swap not the gent with the flivver for the guy with the big six.

Thou shalt not smoke cigarettes nor do the "Shimmy."

Thou shalt know how to prepare a square meal before thou consentest to become some man's wife.

Thou shalt not covet thy neighbor's fur coat.

Thou shalt not flirt nor make of thyself a painted image.

Wonder Who She Is?

She was with me in my wanderings
She was with me in my dreams,
And now after many ponderings
She is here again it seems.

She was of the creation of Heaven
This lovely little maid of mine,
And the bright eyes of this maiden
Sparkled as the stars that shine.

But her great Creator claimed her
This lovely flower of his land,
And thus passed away this maiden
That had given me her hand.

A FRIEND.

I Wonder Who He Is.

When you get to know a fellow,
Know his every mood and whim,
You begin to find the texture
Of the splendid side of him.

You begin to understand him,
And you cease to scoff and sneer,
For with understandings always
Prejudices disappear.

You begin to find his virtues
And his faults you cease to tell,
For you seldom hate a fellow
When you know him very well.

If blue were red and red were blue
And you were I, and I were you
And you loved me, and I loved you
And in all the world were just we two
And you were sure nobody knew
Would you kiss me? DO:

If I were you and you were I
And you were so near I could hear you sigh
And then providing no one were nigh
And I would'nt regret it bye and bye
Wouldn't I: UGH-

THREE TRAMPS

To Spencerville we went one day.
The tournament to see;
We left St. Marys in machines,
Some paid, but some went free.

The game was called at two o'clock,
We scarce could find a seat;
It was so fast, exciting too,
Of course St. Marys beat.

At supper time our dough was gone.
Now what we e we to do?
We hunted up a friend of ours,
And got a bite to chew.

At night, the biggest time of all,
The finals were pulled off.
We did not have a bit of luck
At us they'd laugh and scoff.

The corners of our mouths went down,
The reason we knew well;
Our baskets were so very few,
We did not laugh or yell.

We made a big rush for the door,
And looked for Chauffeur Shorty.
But he had gone, Alas! he'd gone,
He'd started at five-forty.

The moon was bright, the night was clear
We started down the pike;
We wished we had a flivver then,
Oh boy! it was some hike.

At last we came to an old shack,
And camped there for the night;
We three piled on a little cot,
And slept with all our might.

The next day was a holiday,
'Twas Saturday, you know;
A neighbor took us into town,
Oh my! his horse was slow.

St. Marys looked so good to us,
We ne'er again will roam.
We've learned this lesson in our youth,
There's no place quite like home.

HOW WOULD THEY LOOK?

Gertrude Geiger not studying
Anthony Hangen not smoking
Stanley Levering not acting crazy
Louise Armstrong not smiling
Harry Blew not watching Edith Stoner
Dorothy Risk not posing
Arthur Badertsche with his arithmetic
Barney Danaher not roaming the halls
Bun Lawler not with Barney
Thelma Garber as Cleopatra
Bill Vorhees without his side-burns.

Ask Bun Lawler what happened to his cap at the Auglaize County Fair at Wapak in September, '20.

He was teaching her arithmetic
He said it was his mission;
He p essed her once, he kissed her twice
And said "This is addition."
And on he added, smack by smack
In silent satisfaction,
She timidly gave him one back
And said "Now that's substraction."
Then he kissed her and she kissed him
Without an exclamation,
And then together they both said
"That is multiplication."
But Dad appeared upon the scene
And snorted in derision,
He kicked poor "him" three blocks away
And said "That's long division."

FAMILIAR EXPRESSIONS OF FACULTY

Mr. McBroom—"Loud Sneeze."
Mr. Candler—"What are you doing here?"
Miss Bay—"What's the matter with our people?"
Miss Kunst—"Girls."
Mr. Amstutz—"I don't know."
Miss McNeil—"I do wish you boys would behave."
Mr. Kohler—"O-Um-Ah-Yes."
Miss Smith—"Now I want this talking stopped."
Miss Dunan—"Now: I."
Mr. Kuhlman—"You can't do that."
Miss Williams—"Yes—that's right."

THE COUNTY FAIR

I went one day to the County Fair
What do you think that I saw there?
A five-legged horse, a four-legged cow,
A three eared mule, and a two tailed cow.

Then from these freaks I went
Into a wonderful big white tent,
Where the human freaks were all arrayed,
As though prepared for a dress parade.

A man with a nose like a big pancake
Another whose teeth were like those on a rake,
And a man with a foot that had no sole,
And a woman as tall as a telegraph pole.

And I saw a fish that couldn't swim,
And a dog that couldn't bark,
And I heard a band that couldn't play
"I'm afraid to go home in the dark."

Now believe me friends these wonderful sights,
We're well worth going to see,
But if ever I'm asked to go again
I'll say Please Excuse Me.

For the day was hot and the dust was thick,
And when home I had my fears
That my father would plant a row of corn,
In the dust behind my ears.

A SENIOR'S DREAM.

All to myself I think of you—
Think of the things we used to do,
Think of the things we used to say,
Think of each happy yesterday:
Sometimes I sigh and sometimes I smile
And I keep each olden, golden while—
All to myself.

A POEM.
(A Junior's Idea of Writing One)

A Poem, A Poem.
I have to write a poem,
To make the blame thing rhyme,
And hand it in on time
I'll make it short and snappy,
That should make all concerned happy.
For there's no more Longfellow about me
Than diamonds on a hickory tree.
What put this idea in Miss Bay's head?
You know what is always said,
That love inspires the young poet.
If that's the case all should know it,
If something else inspired her then,
My Poem's thru, I'll say
AMEN.
